IN RE:  COX IOWA TELECOM, L.L.C.	DOCKET NOS. TCU-97-27 TF-01-331
--	------------------------------------

**ORDER APPROVING AMENDMENT TO CERTIFICATE,  
CONCURRENCE IN MAPS, AND TARIFFS**

(Issued November 26, 2001)

On October 31, 2001, Cox Iowa Telecom, L.L.C. (Cox), filed with the Utilities Board (Board), a proposed tariff revision adding Crescent, Iowa, to its local service area. In the tariff revision, Cox concurs with the exchange and local calling areas as defined by Qwest Corporation's exchange and network services catalog, section 5.1.1.E, for Carter Lake, Crescent, and Council Bluffs. The filing has been identified as TF-01-331.

The Board will approve Cox's proposed tariff revision and amend its certificate of public convenience and necessity. To reflect the expanded service territory the Board issued Certificate No. 0190 to Cox on March 25, 1999, which authorized Cox to offer service in the Carter Lake and Council Bluffs exchanges. The extension of service by Cox to the Crescent exchange is reasonable.

**IT IS THEREFORE ORDERED:**

1. The proposed tariff, identified as TF-01-331, filed by Cox Iowa Telecom, L.L.C., on October 31, 2001, is approved.
2. An amendment to Certificate No. 0190 is being issued concurrently with this order. Under the amended certificate, Cox Iowa Telecom, L.L.C., will be allowed to provide service in the exchanges as shown by its tariffs as currently and subsequently approved.
3. The concurrence in section 5.1.1.E, of Qwest Corporation's exchange and network services catalog is approved.
